FACT SHEET EXAM BUSTERS

Preparing For Exam Proficiency

OVERVIEW

This highly-interactive, multisensory learning experience shows Key Stage 3 & 4 students how to prepare for exams by equipping them with a range of very effective learning tools and exam preparation skills. It's a refreshing 2 ½ hour learn to learn presentation for students who need to boost exam performance. Run in your school hall to groups of 150 students at a time, this course shows students how to reduce exam-related stress by preparing more efficiently. Especially useful for students in Key Stage 4 and above, this course will also benefit:

- Students who do not know how to prepare themselves mentally and physically for exams
- Students who need to improve learning skills
- Students who need exam support
- Students who need more confidence to aspire higher

During the course students will:

- Be shown how to relax when preparing for exams
- Experience memory improvement tools so they can evaluate their effectiveness
- Be encouraged to create an effective learning environment
- Be shown state-management techniques

The course has two main aims:

- To stimulate a positive attitude towards revision
- To provide simple but effective techniques to improve exam preparation

VALUE

- At £850 for 2 sessions for 2 groups of up to 150 students, this course offers schools tremendous value for money - it means whole year groups can be impacted in a single day.
- This is not just an entertaining and memorable event, it is a high impacting experience designed to motivate students to take responsibility for their futures.
- This seminar is delivered by a dynamic presenter, able to delight and enthrall large audiences. This seminar is very easy to arrange – simply fill in the booking form on our website or give our office a call.

RESULTS

This course encourages your students to:

- Understand the principles of memory and how to move information from short into long term memory
- Apply the revision cycle to maximise their learning opportunities
- Create an effective learning state and environment
- Deal with pre-exam nerves
- Have a positive attitude towards learning
- Use skills to improve exam performance

ENDORSEMENTS

“I know now that revising can be made more interesting and that it doesn’t have to be boring. The course was fun, enjoyable and very easy to understand.”

Cerys Lewis - Year 11 Student

“The students were highly motivated and engaged and some immediately went to the next lesson to start putting these valuable ideas and concepts into practice.”

Tracy Pigott - John F Kennedy School

“Many thanks for excellent ‘Exam Busters’ sessions delivered to all our Year 11 Students. It was extremely well received by not only the students but staff helping with supervisions as well. I am sure it will ‘make a difference’ and we are full of admiration for the energy and enthusiasm of the presenter”

Brian Roe - Assistant Head Teacher

“The students left in a positive frame of mind - equipped to prepare for exams/tests etc much more than when they arrived. They described the sessions as fun, worthwhile and valuable. Thank you!”

Andrew Browne – King Alfred School
